Sec: 20 of the Regn provides for declaring any factory which does not come under clause(b) of Sec: 2 as a 'factory' if it employs not less than 20 persons simultaneously on any day in any manual labour in or incidental to, any such process as is referred to in the said clause(b) and if it fulfils the other conditions of the definition of "Factory". In this all the 3 factories now recommended to be by the Dt Magistrate to be declared as ~~included in the~~ factories under the Regn conform to all the conditions enumerated in Sec: 20. The Dt Magistrate has sent notices of his intention to include these as factories as required by rule 3 of the Rules under the Mysore Factories Regn and the 1st and 2nd factory referred to ~~have not~~ did not send in any statement of objections within 15 days as required by rule 4. The 3rd factory is reported to have referred to ~~any~~ objected only on the ground that the factory is not

Sir,

I have the honor to state that in addition to the 3 registered factories already reported upon in my letter No. 351 dated 28th February 1911, the marginally noted Factories are also working at Davanagere.

1. The Maha Lakshmi Ginning Factory at Davanagere.
2. The Shadaksharappa Ginning Factory at Davanagere.

2 The number of operatives working daily in each of these unregistered factories is above 20 but less than 50.

3 In the interests of the poor working class, I issued a notice under Rule 3 of the Rules under the Factories Regulation, to the agents of each of these respective factories intimating my intention of placing their factories upon the Register in Form A appended to the Rules published in Government Notification 8626/ Legis 69 dated 4th January 1901.

4 In response to the notices issued, no statement of objections was received by me from any of these agents within the time prescribed by Rule 4 of the said Notification and they have been working from about one year already.

5 It is therefore requested that you will kindly move Government to notify in the Mysore Gazette under section 2 of

Sir,

In continuation of my letter No. 326 dated 30th January 1912 in re the bringing of two new factories at Davanagere under the Factories Regulation, I have the honor to state that the marginally noted factory which is also working at Davanagere for the past two years, is employing operatives above 20 but less than 50 per day.

The cotton press factory of the South India and Mysore maunufacturing Company at Davanagere.

2 As I considered it fit to bring this factory also upon the register A maintained in this office, I issued a notice under rule 3 & 5 of the Rules under the Factories Regulation, to the agent of the Factory intimating my design as noted above. In response to this, the manager says that as the number of persons employed on each working day is about 25 only and that as the Factory is not working for more than 120 days in the year, the premises do not fall under the term Factory as defined in section 2 of the Regulation.

3 But by section 2 " any premises wherein is carried on for not less than 4 months in the whole in any one year, any process for or accidental to making etc of an article" comes under the term Factory.

4 The agent, evidently under a mistake that the Regulation requires more than 120 days says merely that the factory is not working
